OBJECTIVE/SUMMARY

I am a dedicated computer engineer with a solid foundation in web development and a diverse set of technical skills. My expertise spans across a wide range of technologies, including HTML, CSS, JavaScript, React, PHP, C Programming, Java, MySQL, Laravel, Bootstrap, .NET, C++, C#, and WordPress. In addition to my technical knowledge, I bring strong problem-solving abilities, effective teamwork, and leadership skills to every project. Committed to continuous learning, I am always eager to contribute to meaningful projects that make a positive impact.

PROFESSIONAL EXPERIENCES

Internship- Web Developer, ITIntern 🔗

09/2024 – 09/2024

- Successfully developed functional and visually appealing web applications, including a login form, calculator, tribute page, and Netflix clone.
- Became the second top performer in the internship program, demonstrating strong problem-solving and development skills.
- Took 4 quizzes to test and enhance my knowledge across various technologies.
- Gained valuable experience in the practical application of programming concepts, working in a collaborative environment.
- Developed a personal portfolio website to showcase my projects and further refine my web development skills.

EDUCATION

High School Degree, Reliance International Academy 🔗

2020 – 2021

Nepal National Examination Board

Kathmandu, Nepal

Major Subject: Physics, Chemistry, Biology

GPA:3.73

Bachelor of Engineering, Nepal Engineering College 🔗

2021 – 2026

Pokhara University

Bhaktapur, Nepal

Expected completion: January 2026

Major Subject: Data Structure and Algorithm, C programming, C++ Programming, Database Management System, Computer Architecture, Artificial Intelligence

IT SKILLS

- Proficient in HTML5, CSS and JavaScript
- Strong experience with React for building dynamic user interfaces
- Solid understanding of PHP, Java, C Programming, and C++
- Familiar with MySQL for database management and integration
- Knowledge of Bootstrap for responsive web design

COLLEGE LEADERSHIP & INVOLVEMENTS

Life Care Services, Website [↗](#)

The Life Care Services webpage is an online responsive website designed to support individuals in managing their health and well-being. It offers a range of valuable resources, including mental health counseling, health tips, injury management guidelines, and important hospital contact information, including emergency numbers. The website aims to provide users with easy access to the tools and knowledge needed for maintaining physical and mental health.

Key features

- **Mental Health Counseling:** Users can access professional mental health support, tailored to their needs.
- **Health Tips:** Practical advice and guidance on maintaining a healthy lifestyle.
- **Injury Management:** Detailed information on how to handle common injuries and seek medical assistance when necessary.
- **Hospital Contact Information:** A directory of essential hospital contacts and emergency numbers, ensuring users can quickly reach out for help when needed.

Manoranjan, Website [↗](#)

Manoranjan is a platform designed to help students share study materials, post travel experiences, and track their academic progress in an engaging and interactive way. It aims to build a collaborative community where students can both learn and connect.

Key Features

- **Sharing Study Materials** – A space to upload and access study resources, fostering academic collaboration.
- **Posting Travel Experiences** – Students can share their travel journeys, allowing others to learn and engage.
- **Tracking Learning Progress** – A feature to track academic achievements and goals, helping students stay organized and motivated.

Personal Portfolio Website [↗](#)

Created a personal portfolio website to showcase my skills, projects, and achievements in web development. The website is designed to present my technical expertise and serve as a platform for potential employers or clients to explore my work.

Technologies Used:

- **HTML, CSS, JavaScript, PHP** for front-end and back-end development.
- **Responsive design** ensuring mobile-friendly access across devices.
- **GitHub** for project version control and code sharing

CERTIFICATIONS

- Internship certificate [↗](#)
- Wordpress Certificate [↗](#)
- Information Security [↗](#)

VOLUNTEERING EXPERIENCES

Rotaract Club of Pashupati Kathmandu, Club Membership Chair [↗](#)

2021 – present
