

# WELCOME TO NOBEL TECH QUEST

# 2025

Organized by : Nobel Tech Explorers Club

# WHY WE ORGANIZED TECH QUEST?

**INNOVATION**

**COLLABORATION**

**LEARNING**

**EXPOSURE**

**GROWTH**

Overall, our goal is to engage tech enthusiasts in a fun and competitive event that sharpens their technical, analytical, and creative skills.

# EVENT DETAILS | TECH QUEST

## IN ROUND 1 : TECH TRIVIA

All participants will play inside Kahoot with tech related questions. Here, Top 10 will be proceeded to next round.

## IN ROUND 2 : CODE AND DEBUGGING SKILLS

Here, Top 10 participants will be playing the debugging round with the programming languages. We will share debugging questions on screen share and you have to find out errors or output and say it verbally or write in chat. This is the time to prove your logic skills. After the scoring , Top 5 will be proceeded to final rounds

## IN ROUND 3 : INNOVATION PITCH

Here, Top 5 participants will be pitching showcasing a real solution to real problem using technology. In this round, there will be external judges who will point out the best pitch and make him/her the winner of the Tech Quest.

### Rewards :-

- **Winner - Certificate of Winning + Club Recognition + Spotlight**
- **Runner ups - Certificate of Excellence +Club Recognition + Spotlight**
