Srijan Gajurel

Front-End Web Developer | MERN Stack | React & NodeJS |
Engineering Graduate | Seeking Internship

Kathmandu, Bāgmatī, Nepal

Summary

Detail-oriented Front-End Web Developer and Engineering graduate
with practical experience in creating responsive, user-focused
websites using the MERN stack and modern frameworks. Skilled
in HTML, CSS, JavaScript, React, Node.js and WordPress, with a
strong commitment to clean design, performance optimization, and
collaboration in agile teams. Seeking a dynamic role where I can
contribute to building innovative digital solutions that enhance user
experience and align with business goals.

Experience

Nobel Learning PBC
Nobel Intern
June 2024 - Present (1 year 7 months)

#Collaborated with a diverse team to brainstorm and launch an innovative
idea, combining creativity with strategic thinking.
#Reflected on key learning topics and applied them in real projects to
strengthen decision-making and teamwork.
#Engaged in group discussions, idea pitching, and collaborative problem-
solving, gaining deeper insights into leadership and communication.
#Developed a better understanding of how diverse perspectives contribute to
impactful and sustainable solutions.

YES! YOU CAN Global Foundation since 2018
Volunteer
August 2025 - Present (5 months)

#Took part in workshops and interactive sessions focused on leadership, self-
growth, and women empowerment.
#Collaborated with participants from diverse backgrounds to share ideas and
promote confidence among young women.
#Reflected on personal strengths and values, learning how to use them to
inspire and empower others.

#Engaged in group discussions and activities that encouraged open communication, empathy, and teamwork.
#Gained a deeper understanding of how small actions can lead to meaningful social change and collective progress.

Rotaract club of Pashupati Kathmandu
3 years 1 month

Club Membership Chair
January 2024 - June 2025 (1 year 6 months)
Kathmandu, Bāgmatī, Nepal

#Led membership growth initiatives by organizing orientation sessions, outreach programs, and networking events.
#Worked closely with the executive team to build an inclusive and engaging club environment.
#Mentored new members and encouraged participation in community service and leadership projects.
#Strengthened communication, leadership, and event coordination skills through active collaboration and planning.

General Member
June 2022 - December 2023 (1 year 7 months)
Kathmandu Bagmati Nepal

Actively participated in service projects, workshops, and fundraising events to support community development.

#Contributed ideas and volunteered in planning club activities, enhancing teamwork and social impact.
#Collaborated with members from diverse backgrounds, building strong interpersonal and leadership skills.
#Learned the value of service above self and the importance of collective action for meaningful change.

ITintern
Web Developer Internship
September 2024 - September 2024 (1 month)

Developed and maintained responsive web pages using React.js and Bootstrap.
Collaborated with a team of developers to enhance user experience and implement new features.
Assisted in API integration and performed thorough testing using Postman.

#Received positive feedback for attention to design detail and timely project delivery
